

## Purple Pony Summer 2021 Schedule

In the summer, volunteers who are available will be able to help out at the barn on Tuesdays and Fridays from 6:00-7:30.

We will groom as many horses as we can and exercise them. There may be some lunging and trail walks depending on the weather. We may pick paddocks, clean tack and grooming supplies when time allows. It would also be nice to bathe each horse at least once.

Join us when your schedule allows. You may text us if you wish.

Gail (585-271-9080) will run activities Tuesdays and Lynnette (585-755-8450) on Fridays.
